Travel by bus

9:20 Visit to **Doshomachi**

Travel by bus

10:55 Visit to **Nakananoshima Qross** and networking with Japanese companies

Travel by bus

13:00 Dismiss at Shin-Osaka station

Doshomachi is considered the birthplace of Japan's pharmaceutical industry. It is home to major pharmaceutical companies such as Takeda, Shionogi, Tanabe Mitsubishi Pharma and Sumitomo Pharma.

Nakanoshima Qross was opened in June 2024 to promote the industrialization of cutting-edge "future medicine" based on regenerative medicine. It is a place where medical institutions and companies can create, practice, and share future medical treatments under one roof.

More information about the "GLOBAL LIFE SCIENCE SESSION" is available on the LINK-J website.
