

WELCOME!! OSAKA

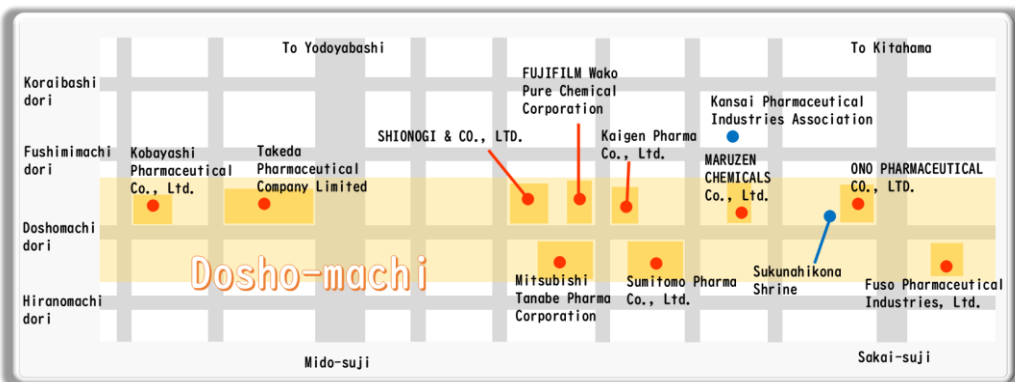

“ The Pharma and Future Medicine Town”
16th April. 2025

Dosho-machi

This street has long been home to a concentration of Osaka's major pharmaceutical companies including Takeda, Shionogi, Mitsubishi Tanabe Pharma, Sumitomo Pharma, and Ono Pharma. A walk around Mitsubishi Tanabe Pharma Historical Museum will give you a sense of Osaka as "The Pharma Town".

You can visit several corporate museums of pharmaceutical companies and a rare medicine shrine.

Museum

Nakanoshima Qross

It is a unique hub where has opened in June 2024 for the industrialization of future medicine, where medical institutions, companies, startups, support organizations, etc. come together under one roof.

The content of the visits at Nakanoshima Qross has not yet been decided. The following are possible candidates.

- CiRA Foundation, which will manufacture and stock quality-assured iPS cells and provide them to academic research institutions and companies.
- Qrossover Lounge 夢 (YUME), which connects people and information through various mechanisms.
